

STUDENT MEMBERSHIP IS FREE

Join the Australian Medical Association Victoria today

The AMA is the major representative body of the medical profession, providing you with the assistance you need now, and throughout your medical career.

Why you should be a member

- AMA Victoria provides strong, independent and effective representation for medical students and medical practitioners
- Honorary student membership of AMA Victoria is FREE
- Elected representatives of your Medical Student Society attend AMA Victoria Council meetings, raising issues of concern to medical students in that forum
- Student members receive free monthly issues of AMA Victoria's Magazine, *Vicdoc*
- Student discounted access to the Medical Journal of Australia (MJA) - \$60.00 pa
- Please remember to notify us if you change your mailing address

2006 APPLICATION FORM
